

# fiberon® Brio Railing

## Outdoor entertaining made easy.

Discover a flat, drink-friendly railing system made from a sturdy, low-maintenance composite. Fiberon® Brio railing is ideal for outdoor entertaining. Available in three essential colors including Alpine (Tranquil White), Simply Brown and Obsidian (Serene Black), Brio railing is designed to complement all Fiberon decking.

- Square composite or black round aluminum baluster sections.
- Made of low-maintenance PVC composite; easy to clean and does not need to be stained or painted.
- Easy to assemble and install.
- Lighting accessories sold separately.
- ADA handrail system available via special order.

Sold in line and stair sections\* as follows:

- 6 and 8 ft. sections for 36 in. rail height.
- 6 and 8 ft. sections for 42 in. rail height

These sections include top and bottom rails, balusters, crush blocks and holders, and mounting hardware.

Choose from square composite balusters or round black aluminum balusters when selecting your railing section.

4 in. and 5 in. composite post sleeves are available.

Post caps and base mouldings sold individually.

5 in. post sleeve kits are available which include post sleeve, cap and base moulding.
